

Magnetic glass boards with matt surface

Key Facts

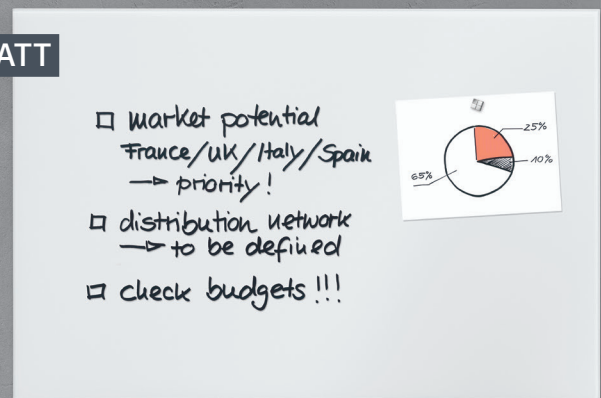

- Perfect for difficult light conditions
- Excellent legibility
- Very little reflection
- Good-quality photos of the board surface
- Durable, scratch-proof
- Can be combined with glossy Artverum boards
- Used in exactly the same way as the glossy boards:
 - Write on / wipe clean
 - Magnetic

GLOSSY

MATT

Very little reflection or glare when photographing the board or during **video conferences**.
